The licence fee (plus VAT) will be added by FKM

By sending this form you are submitting a licence application for reprinting sheet music to Musikverlag Intervox GmbH. After the application has been reviewed, you will receive a countersigned application (agreement) with a licence fee based on the amount of editions. This fee will be entered by the Licenser. We charge 15% pro rata titulis, with a minimum of €250 per music title plus VAT (unless otherwise agreed). The Licensee is not entitled to a countersignature by the Licenser or to conclusion Every printing permission is non-exclusive and rights are granted exclusively with regard to this publication and this one edition. Additional editions require a sublicense. The Licensee shall print an industry-standard permission note in the copyright line indicating the composers, lyricists and publisher as per the supplementary sheet entitled "Copyright Line". The use of original illustrations and/or lettering in the broadest sense is not included in the granting of rights. The Licenser fundamentally does not grant any performance, broadcasting or other such rights. The Licenser shall receive a specimen copy.
